Charleston Women in International Trade (CWIT) would like to invite your company to raise its profile by investing in our organization - one of South Carolina's most respected international trade groups - by sponsoring **The Charleston Soirée**, CWIT's annual meeting and banquet. Through your sponsorship, CWIT is able to meet its goals to educate, train, mentor and network our workforce. CWIT will award **\$5,000** in scholarships to students pursuing degrees related to international trade - helping South Carolina's industry secure the best and brightest young talent.

Investing in CWIT ensures publicity to the business community, provides direct exposure to more than 750 international trade professionals, over 100 CWIT members, and a presence on CWIT's [website](#), [Twitter](#) and [Facebook](#) fan page.

The Charleston Soirée will be held on April 19, 2022 at Founders Hall, Charlestowne Landing. Please keep in mind that your commitment will allow us to succeed at enhancing the status and interests of professionals in the field of international trade through a vast network of professional contacts, educational programs, mentorships, and scholarship opportunities. Your sponsorship for our annual Soirée is simply a click away.
