

Professional Development Dinner Meeting

Tuesday, February 20, 2024

Crowne Plaza Greenville

Registration with Donations Opens at 6 p.m.

“Together We Can End Hunger in South Carolina”

Program Synopsis:

We strive to put more food on the table for our neighbors in need. We partner with many organizations to ensure we reach more people within our 20-county footprint. All of us to work together to provide a hunger free tomorrow.

Speaker Bio:

Diana Sharpe is Director of Philanthropy at Harvest Hope Food Bank. She joined Harvest Hope in June 2022 as the Food Sourcing Acquisition Manager before becoming a director. Diana was instrumental in building and leading a team that focused solely on donated food products from various sources, such as retail stores, wholesalers, distribution centers, and farmers. In her new role as Director of Philanthropy, she has grown the team to include individuals focused on faith-based giving, corporate relations, and grants. She has united them all with the common goal to build relationships in the communities we serve and further our mission of a hunger-free tomorrow.

Diana has always had a passion for managing people and helping others. She has a BA degree from Lee University in Cleveland, TN. She has also worked in management and sales for several years, earning numerous awards and promotions along the way. Diana considers working at Harvest Hope as her calling and feels fulfilled by the mission of the organization. She says, “Managing people has always been a passion of mine. I knew that’s where I belonged. It wasn’t until I joined Harvest Hope that I truly understood what it meant to manage for those in need. Knowing that my team can put food on the table for a family that may have to choose between food for their kids, or their light bill, really makes me feel fulfilled.”

Diana is from Lexington, where she currently lives with her husband, two teenage boys, a little girl, and a labradoodle, who is their baby.
